

The conference is organised by the association AMCV, Lisbon and the European blended learning cooperative **blinc**, a network of European partners in 12 European countries with its headquarters in Göttingen, Germany.

BACKGROUND has been founded by the European Commission in the framework of the programme Grundtvig. The project team consisting of 9 partners from 8 European countries has developed a training course with the aim to sustainably improve competencies of adult education staff in the area of violence against women in different institutional environment with the main purpose of supporting women survivors of violence.

Final Conference
